

This is not a standalone game!  
The base "Meadow" board game is required.

The thematic set of cards in the "R" envelope is a mini expansion for the *Meadow* board game. You can freely add them to the basic card set by shuffling the expansion cards into the corresponding decks. Each card is marked at the bottom with a letter corresponding to the envelope. Find the list of cards and extra rules below.

**R01 Brown bear**

In order to play this card in your meadow area, you need to have at least 9 ground cards. The card can be played on any of them (according to the standard rules).

**R02 Dice**

In order to play this card on a previously played landscape card, you need to have at least 5 different ground cards (as detailed on the card).

**R03 Paper parasol**

In order to play this card on a previously played landscape card, you need to have at least 5 landscape symbols played in your surroundings area (and at least one landscape symbol has to be visible to play this discovery card).

**R05 Landscape with kites**

In order to play this card in your surroundings area, you need to have at least 4 ground cards with the same symbol.

**R06 Bird's nest under the roof**

No additional rules

**R04 Landscape with a fork in the road**

In order to play this card in your surroundings area you must have 2 unused road tokens. When playing this card, you place both road tokens below it and then flip the tokens, so the sides without the road symbol are visible. This card provides 2 landscape symbols which allows you to play 2 discovery cards on it (see example 1).
